

OUTDOOR ADVENTURES

Wilderness First Aid Certification Course

If you plan to spend time in remote locations, it is your responsibility to be prepared.

Fast-paced and hands-on, this two-day course covers a wide range of wilderness medicine topics for people who travel and work outdoors and meets the needs of trip leaders, camp staff, outdoor enthusiasts, and individuals working in remote locations. This course is through Landmark Learning and the National Outdoor Leadership School.

This course may be used to recertify Wilderness First Responder and Wilderness EMT (wilderness portion only) certifications for NOLS Wilderness Medicine cardholders who are current or in their recertification period.
