

LANDMARK LEARNING

The Learning Specialists for the Outdoor Community.

Parking Etiquette

Landmark Learning is nestled in the Smoky Mountains, where parking is limited. To help traffic flow smoothly, please follow these guidelines:

- **Please center your car on the parking markers.**
- **Office spaces with green markers** are reserved for staff Monday–Friday, 9am–5pm. Students may use these spaces on weekends.
- **K-Lot:** Located below the paved driveway, K-Lot is available for five cars. Please center your cars on the parking markers downstream of the large rock.
- **Downstream parking:** If the main parking and K-lot are full, park on the hill side of the road, angled in upstream of the well.

Thanks!
